Objective

Talented and accomplished Software Engineer seeking a technically challenging position in the area of Software Testing, which allows me to pursuit career advancement by expanding my knowledge and skills and to propel an organization's success.

Education

- **Rayalaseema University** 2017
  Bachelor of business management
  79.8

EXPERIENCE SUMMARY

- Working as QA Engineer.
  • Having 3.5 years of IT experience in Manual Testing and Automation Testing, Manual Mobile Testing Mobile Native Application testing & Mobile Device Testing.
  •Creating Test scenarios and Collecting Test Data.
  •Identifying end-to-end, test plans scenarios and modularity.
  •Identifying performance modularity.
  •Creating reusable components - selenium tester roles and responsibilities.
  •Creating and enhancing Test Cases (Test Scripts) using Element locators, WebDriver methods,
  .Identifying regression testing , Execute test plans .
  •Identifying load testing, security testing, modularity.
  •Creating Data-driven Tests and Running through the framework.
  •Defining and exporting Test Results.
  •Analyzing Test Results and Reporting Defects.
  •Tracking Defects and Select Test cases for Re & Regression Testing.
  •Modifying Test Automation Resources and Maintenance of Resources.
  •Plan and coordinate all cycles of testing, including functional-level system tests
  •Participate in daily scrums features planning discussions.
  •Be responsible for the whole software testing lifecycle (analyzing the business requirements, support in preparing the test plans, creating the test cases, monitoring bugs, checking bug fixes).

EMPLOYMENT SUMMARY

- Currently working as QA ENGINEER at PATNI COMPUTER SYSTEMS LTD Bangalore from June 2020 to 2022 to till date.
  Working with Nexval Infotech Pvt. Ltd as QA ENGINEER from May 2019 to june 2020

Skills

- Testing Skills : Manual Testing, Automation testing in Native Mobile Application Testing (Ios/Android) End to End , Test plans Testing.•SQA Testing & Methodologies •Test Plans, Cases & Processes •Functional Requirements •Scripting & Documentation Regression & performance monitoring UI & Compatibility Testing, End to End Performance/Load/Security/Stress Testing. •Defect/Bug Tracking. •Test Strategies & Coverages •QA & QC Standards •Tools : Jira, API POSTMAN, Test complete, kobiton .•Operating Systems : Windows XP, Windows 7

PROJECT PROFILE

- Title: FARM CONNECT
  Client: ADVANTA
  Role:Test Engineer
  Team Size: 16
  Environment: UNIX & Windows
  Testing Tools: Jira, POSTMAN

PROJECT DESCRIPTION

- ADVANTA LIMITED is a agrochemical company ,it produces, distributes seeds, mineral fertilizers

and related
industrial products and also global Bio-agriculture company, announced a new commercial
agreement offering
sustainable cost-effective mycorrhizal products to help increase crop yields and provide an
alternative to
synthetic fertilizers (especially phosphorus) to Indian farmers. The collaboration leverages
ADVANTA India's
vast reach and close relationships with Indian farmers and Groundwork BioAg's Mycorrhizal
BioPlatform

ROLES AND RESPONSIBILITIES

- •Analyzing business requirement in order to determine the test strategy covered by manual and
automation testing in Mobile App Testing(IOS/Android)
•Work with relevant people with regards to test preparation, test execution, test data and performance
monitoring and Regression testing.
•Developing new test scripts.
•Attending Agile meetings (Daily scrum meeting/Sprint planning/Backlog refinement) on assigned projects.
•Developing automated test scripts and frameworks for improved mobile app performance monitoring.
•Testing web End to End , Test plans to ensure their configuration, operation, and capabilities work efficiently
•working Knowledge of mobile operating systems such iOS Android.
• Providing results to project managers/developers/manual testers and stakeholders.
•Suggesting new processes and policies to improve mobile development Techniques.
•Developed and executed the Automation Test Scripts.
•Reviewing the Test Reports and Preparing Test Summary Report.
